

*Renew. Refresh. Rejuvenate.*

## Protocols In Place For The Safety Of Our Staff And Patients

- Changes have been made in scheduling to minimize the number of patients in the office at one time and to ensure ample time for cleaning and disinfecting between patients.
- Staff will be wearing personal protective equipment (PPE).
- Hepa Filtration systems in each of our treatment rooms and enhanced cleaning and sterilization procedures.
- All paperwork must be completed before you arrive.
- Symptom screenings will be conducted when confirming appointments and upon arrival to office in addition to temperature checks.
- Only the patient will be permitted for visit; one additional person will be allowed for minor children or those requiring assistance.
- Face masks are required to enter office and throughout duration of your visit. They will be removed only as necessary for treatment.

Thank you! We look forward to seeing you in the office.

Sincerely,

Leah M. Schiller, MMS, PA-C  
and the Team at Eastside Skin Care & Laser Center
